Announcing Pre - Prep Springwood 2015

There is growing excitement on our Springwood campus surrounding the planned opening of a new **Pre-Prep Centre in January 2015**. The new Calvary Pre-Prep program will operate from the existing C&K Centre and presents an opportunity for children to access a model of Pre-Prep that is unique within Christian education and the Logan City area. The children will have access to the resources of the Springwood campus. They will have weekly visits to the library and lessons from our specialists Physical Education, Music, Spanish teachers.

The Pre-Prep program will offer a play-based indoor and outdoor curriculum which embraces the Queensland Kindergarten Learning Guidelines and is based on the International Baccalaureate Primary Years Programme. Children will have exposure to early literacy and numeracy learning in readiness for formal schooling, guided by highly qualified teachers and assistants.

This strategic initiative of the College Council will allow children to begin maximising their potential from Pre-Prep and allow our staff to seize the potential in each child from an early age. The Pre-Prep program will be engaging, relevant, challenging and significant and promote quality learning right across the College. This initiative will provide further opportunities for authentic Christian discipleship, with a focus on nurturing and developing children to their fullest potential and recognising their God-given giftings.

An information night will be held on Tuesday 5 August 2014 in the Springwood Administration building. Please come along if you would like more information and invite anyone who may be interested. All are welcome to attend the **information night at 7:00pm on Tuesday 5 August 2014** in the Springwood Admin Building.

College Principal, Cathy Hockey

When The Unimaginable Happens

“And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away.” [Revelation 21:4](#)

We welcome our families back to an exciting Term Three, and pray that you were able to share some quality time with your students during the break. Our staff also had time to renew themselves physically and spiritually. On the first day of the term our teaching staff joined other Christian teachers at the biennial ACS teachers' conference. On the second day all Calvary staff attended a staff wellbeing day. Our guest speaker, Peter Janetzki, conducted a session on *Body Chemistry and Balance*. It is important in these busy times to look after our wellbeing. We live in a world that moves so rapidly and with technology at our fingertips our brains can be bombarded with information that we do not need to know.

It seems that we can't turn on our television sets at the moment or open a newspaper without being confronted by stories and images of the recent tragedy in Ukraine and elsewhere.

I am seeing similar reactions to the shooting down of the passenger aircraft that I saw following the destruction of the World Trade Centre in September 2001. Some children are fearful and see the world as unsafe; some identify with the young children who died. Older students want to know 'Where is God in all this? How could He let innocent people die?'

While we want to protect our children from the ugly and evil side of life, we can't, unfortunately, always do this. But we can lessen the impact and remind them that the world is a wonderful place and, even though bad things happen, God is still in control.

In a recent blog post, Michael Grose, author of a number of well-known parenting books, suggested some ways to help children in come to terms with this disaster.

1. **Reassure children that they are safe.** The consistency of the images can be frightening for young children who have difficulty distinguishing between reality and fiction. Let them know that while this event is indeed happening it will not affect them directly.
2. **Explain what happened.** Be calm and stick the facts, using a map to show older children where it happened.
3. **Let kids know that it is okay to talk about the unpleasant events.** Listen to what they think and feel. By listening, you can find out if they have misunderstandings, and you can learn more about the support that they need. Be willing to answer their questions.
4. **Help children process what they see and hear, particularly through television.** Children are good observers but can be poor interpreters of events that are out of their level of understanding.
5. **Support children's concerns for others.** They may have genuine concerns for the suffering that will occur and they may need an outlet for those concerns.
6. **Let them explore feelings beyond fear.** Let them express the full range of emotions.
7. **Avoid keeping the television on all the time.** The visual nature of the media means that images are repeated over and over, which can be both distressing to some and desensitizing to others.
8. **Be aware of your own actions.** Children will take their cues from you. Let them know that it is happening but it should not dominate their lives.

<http://www.parentingideas.com.au/Blog/July-2014/Helping-kids-make-sense-of-the-MH-17-air-disaster>

Unimaginable things can and do happen at any time. I trust that these suggestions will assist you to support your families when tragedies occur. Above all, as a Christian community we cannot underestimate the power of prayer. My hope and prayer for this term is that we can draw together and support each other in the good and not so good times.

Prayer Points

- For the families and friends of the passengers and crew on Flight MH-17
- For a successful Principal's Twilight Tour on Thursday 31 July
- For good health for our College community
- For the safe arrival of our Shibukawa guests (arriving Monday 4 August)

Twilight Principal's Tour - Middle School Focus

The College is hosting a Twilight Principal's Tour, with a Middle School focus on Wednesday 31 July 2014 on our Carbrook campus. This tour coincides with our *Christmas in July* event. Please join us for this special evening as we showcase our College to both existing and prospective families. Please register your attendance on 3287 6222.

Enrolments for 2015, 2016, 2017

The College has limited vacancies. Please submit your Enrolment Form if you want your child to start in 2015. Spaces will be limited and we are filling up fast. If you are not sure whether you have submitted an Enrolment Form, please give me a call so I can check. If you know of anyone who is looking for a school for their children, please have them contact the College Registrar on 3287 6222 for further details.

- Enrol today for new Pre-Prep program at Calvary Christian College – Springwood starting January 2015.
- Qualified teacher
- Short day care Pre-Prep Program
- Outside School Hours Care available at the College
- Christian Education
- Preparing your children for their Calvary Education

Artist in Residence Program

Last term Mrs Farley was successful in acquiring funding for an Artist-in-Residence program from the Queensland government through Arts Queensland. The Artist-in-Residence program (AIR) invests in creative collaborations between professional artists and Queensland schools. AIR promotes the role and value of arts-led learning and partnerships across the whole learning curriculum to play a transformative and catalytic role in creating healthy, cohesive communities and driving creative solutions to challenges of our time.

Our Artist-in-Residence program, supported by the Queensland government through Arts Queensland, part of the Department of Science, Information Technology, Innovation and the Arts, will run over Semester Two at the Springwood campus. Our artists-in-residence, Gordon Hookey and Judy Watson, will visit the College weekly to involve the children in a Visual Arts program. The children will engage in workshops with the artists, exploring a diverse range of media including painting, print-making and drawing. During the focused arts-led time, Judy and Gordon will share their expertise and deliver a quality program that focuses on landscape, place, objects and animals in relation to our local environment.

Gordon and Judy are both accomplished Indigenous artists, with artworks in galleries and exhibitions all over the world. Gordon Hookey is also the author and illustrator of the book, *Sacred Hill*, which was the inspiration for a recent children's interactive project "The Kangaroo Crew" at the Gallery of Modern Art (http://www.qagoma.qld.gov.au/kids/exhibitions/exhibition_archive/gordon_hookey_kangaroo_crew). Judy Watson is currently an Adjunct Professor at Queensland College of Art, Griffith University. Judy travels the world exhibiting her artwork and has won many prizes, both nationally and internationally.

To begin the program, every student will travel to Daisy Hill Conservation Park with the artists to begin the production of their artwork, inspired by the local natural environment. Gordon and Judy will also incorporate an understanding and consciousness of the history of the local area before European settlement. We are looking forward to a very exciting program with our artists and watching our children's artistic pursuits develop over the semester.

Welcome New Staff

We are excited to welcome two new staff members to Springwood this term. Miss Jane McMahon (right) is joining the Springwood campus to teach Spanish two days per week. Jane has come to us with rich life experiences and is excited about teaching at Calvary Christian College. Jane has taught at schools in Mullumbimby and Cairns and most recently taught a Prep class in a Steiner School. Before becoming a teacher, Jane was an international flight attendant for QANTAS, where she had the opportunity to travel to over 28 countries. Jane loves languages and is able to speak both Spanish and Japanese. In addition to all of this, Jane is currently studying Ministry at Christian Heritage College.

Miss Angela White (right) joins us from Groves Christian College. Angela has joined our Learning Enrichment department, working as a teacher aide to support children on Individual Education Plans. Angela has worked as a teacher aide for six and a half years and is also a qualified

hairdresser. Angela is the mother of three children and is an active participant in many ministries, including Daughters of Promise. Angela currently attends Hillsong church and has a passion for children, life and God. We welcome both of these ladies to the College and look forward to working more closely with them over the coming months.

Pride of Australia Medal

Congratulations to Mrs Fiona Baker for her recent nomination for a Pride of Australia Medal in the Inspiration category. The Pride of Australia Medal recognises and rewards the community's most outstanding members. The Inspiration category recognises a member of the teaching profession from early childhood to university education or a role model whose compassion and wisdom while teaching, coaching and mentoring our youth has been truly inspiring. Fiona epitomises all of these characteristics and is a more than worthy nominee. Thank you, Fiona, for all that you do for the children of the Springwood campus. You are an inspiration to everyone!

JUNIOR SCHOOL NEWS CARBROOK

The World of Maths

The Years One -Six students recently participated in 'The World of Maths' at Carbrook. The 'World of Maths' provides an opportunity for students to explore challenging problem-solving activities and seek creative solutions, both as individuals and in groups. It was also a gratifying way to enjoy Maths. Thanks to the many parents and secondary students who gave their time to assist with the successful running of the day. We look forward to next year's event.

Well done Marle

Calvary Christian College Junior School entered the DAFF Hermitage Research Facility Schools Plant Science Competition for the first time this year. The competition has two categories – Plant Science and Agricultural Art. Some Year Six students entered artworks that were designed and created around a 'mutant bug'. 2014 saw 35 schools enter and a total of 325 entries across both categories. It is a pleasure to announce that Marle van Vuuren's mutant bug won first prize for their year level. All winners are invited to the annual Awards Day to be held at the Hermitage Research Facility on Tuesday 19 August 2014. Marle's prize includes art materials and a science magazine. Well done on your weird and wonderful award winning bug, Marle!

MIDDLE & SENIOR SCHOOL NEWS

Welcome back

I hope you and your family enjoyed the holidays and I, along with the MSS staff, look forward to working with you over an exciting and full term.

40Hr Famine Launched

40Hr famine was launched in dramatic fashion with a compelling lawn display and dramatic assembly presentation. Mr Hawkin, with the assistance of an active student committee, is encouraging all students and families to go without for 40 hours, (eg. technology or food or even talking), to help the people in Rawanda and through sponsorship raise the **Calvary target of \$10000**.

QUT STEM extension program

Congratulations to Esther Dancewicz and Dayna Zimmerman for their success in securing places in the QUT STEM extension program. This highly sought after opportunity from the QUT Science, Technology Engineering and Mathematics Faculty is a week-long intensive experience workshop in the September holidays. Esther and Dayna impressed the application panel with their passion for Science, strong academic results and future STEM orientated study and career intentions.

Year Twelve Snow Tour

Much snow, fun and faith was shared at the annual Year Twelve Snow Tour. The tour binds together the year level like no other event and provides an opportunity for enjoyment and spectacular crashes at the same time. The tour also has an intentional discipleship focus with staff and students sharing around Bible studies and discussing life purpose and direction.

Welcome Runa

Calvary and Year Eleven in particular, welcome Runa Miyamoto from Japan. Runa is home-staying with a couple of College families and participating in the full range of school experiences and subjects. There are many benefits hosting a student from another culture and I encourage you to consider hosting the week long exchange with our Shibukawa sister school later this term.

GATTON SHOW

On Friday July 18, Sixteen students and thirteen sheep made the trip to Gatton for the Gatton Show. On the Friday evening, the students competed in the Young Judges competition with around 40 other young people from across the state. The students had to judge two different breeds which were new to them but they did an outstanding job at handling the sheep and applying their knowledge. In the senior category Georgia Burton (Year Twelve) placed 4th while Erin Lee (Year Twelve) did an excellent job in placing a very close 2nd behind her sister Georgia Lee (a past Calvary student). In the junior category, Hayley Owens (Year Eight) did an outstanding job and placed 1st.

After camping overnight in the sheep shed, the students woke early to brave the cold and prepare our sheep for a day of showing. The students handled the sheep with great skill in the show ring and were praised by many of the breeders and stewards for their exceptional presentation. Joshua Stubbings won the award for best senior handler while Matthew Sharp, in only his second show, won the award for best junior handler.

In the ring, we were successful in winning a ribbon in every class we entered. Our best class was the 1 ½ - 2 ½ year-old ewes where Georgia Burton (Year Twelve), Amy Brooker (Year Ten) and Montana Strano (Year Ten) lead their sheep, Poppy, Pickle and Pepper, to take out 1st, 2nd and 3rd respectively. Georgia and Poppy went on to win Champion Suffolk Ewe while Amy and Pickle took out Reserve Champion Suffolk Ewe. From there Georgia and Poppy competed against the other champion ewes, all of which were breeders' sheep, and won Champion Short Wool Ewe and Champion Interbreed Ewe which was a superb effort.

Congratulations go to the whole team on their effort in preparing and showing the sheep. The team will go to the Mt Gravatt Show on Saturday July 26 and then to the EKKa from Tuesday August 12 to Saturday August 16. Come along and support the team at these shows and see our champions in action!

Interhouse Athletics

The annual Interhouse Athletics Carnival was held over two days at the end of Term Two. Teresa ended Pascal's domination of this year's carnivals by winning the overall trophy in a competition where participation, sporting behaviour and personal excellence were on display. Congratulations to Kade Luck and Sarah Paech who were crowned as College Champions, and also to the following students who were awarded Age Champion placing's:

AGE	1 st	2 nd	3 rd
12 Yrs	Georgia Brandenburg (Liv) Rhys Le Sage (Ter)	Meg Forrest (Ter) Bradley Brown (Pas)	Sarah Rasi (Liv) Jordan Cain (Liv)
13 Yrs	Ainsleigh Bevan (Pul) Nicolaas Louw (Ter)	Abby Baker (Ter) Logan Ford (Ter)	Kathryn Long (Pul) Darius Maris (Pul)
14 Yrs	Emily-Kate Secher-Jorgensen (Ter) Dylan Chand (Pas)	Lauren Woodward (Liv) David Maris (Pul)	Brianna Jacklin (Pul) Lachlan Brown (Liv)
15 Yrs	Tia Bennett (Pas) Arden Frylink (Pas)	Judith-Anne Burton (Pas) Andrew Berry (Liv)	Laura Paech (Ter) Joshua Khay (Ter)
16 Yrs	Annabella Massey (Pas) Kade Luck (Ter)	Larissa Watter (Ter) Dylan Carstens (Pul)	Shaneice Senti (Liv) Brendon Bouchier (Pul)
17 Yrs	Sarah Paech (Ter) Thomas Qualischefski (Liv)	Lauren King (Pas) Brandon Hoskins (Liv) & Jesse Milne (Pas)	Madeline Culley (Ter) Alexander Lewis (Pas)
19 Yrs	Ashley Wilson (Pas) Scott Nicolson (Ter)	Georgia Burton (Liv) Levi Haak (Ter)	Courtney Strydom (Pas) Kurt Alexander (Pas)

A full list of results from all events can be found on the CCC Sport page on the portal. Many thanks to Mr Colefax for again convening a sensational carnival.

Basketball News

Clare Eley from Year Eight attended the Basketball Queensland Future Development Program over the school holidays (29 June to 2 July). The top 40 girls and 40 boys from across Queensland were selected to attend a six week training program that finished with a 3 ½ day camp. The Future Development Program (FDP) is the entry-level tier of the High Performance Program, focusing on the identification, support and development of athletes aged 12-13 years old, and on the development of aspiring elite coaches.

Program participants are introduced to aspects of state-team ideology and systems, and participate in skill-based programs at home, with support from their local associations. At the camp, the theme was SCHAPE (Spirit, Communication, Hustle, Approach, Positive, Enhancement) and Clare was the winner of the Enhancement section of the theme. Well done!

MUSIC & ARTS

Welcome back to what is going to be a very busy term for students involved in creative arts in our College.

We start the term with **Christmas in July on Thursday 31 July**. We'll be selling hot food from 5.00pm with the concert and carol singing commencing at 6.30pm. Don't forget to wear something "Christmasy" and bring rugs or chairs to sit on. You'll also be able to purchase cupcakes, fresh roasted coffee, hot chocolate, tea and cold drinks during the evening.

Some of our string ensembles will be performing in the **Redlands Eisteddfod** on Sunday 27 July and our symphonic will be at the Eisteddfod on Monday 4 August.

The next performances for all our ensembles will be at the **Calvary Carnival on Saturday 13 September** with Junior Groups performing between 11.00 am and 12 noon and Senior Groups from 1.00pm to 2.00pm.

During the last week of this term we will be having a **Calvary Eisteddfod and Cultural Day**. Middle and Senior School events will occur on the Wednesday 17 September and Junior School events on Thursday 18 September. More detailed information and enrolment forms for the Calvary Eisteddfod will be forwarded shortly and posted on the portal.

On Friday 24 October we have our major performance for the year, **Calvary Showcase**, Picture This?

Unfortunately, we were not able to book the conservatorium this year so Showcase will be in the Calvary Community Centre. This year we are having a themed event and we're asking performers and audience members to wear Gatsby (Twenties/ Thirties) style fashions.

More detailed information regarding ticketing will be forwarded over the next few weeks.

It's also a busy term for many of our students doing A.M.E.B. and Trinity College Examinations.

During the final week of last term, Sophie Steptoe sat for her Grade Four Trinity College Piano and received a Distinction for this examination. Congratulation to Sophie.

Please don't hesitate to contact me if you need information on any aspect of our Performance Music Program.

Barry Warden
Director of Performance Music

DEBATING & PUBLIC SPEAKING

College debating has reached the busiest time of the year. We were very excited to see our two Year Six teams compete in their first debates (which both teams won!). We are eagerly anticipating the first Year Seven debate on the 31 July.

Our Middle and Senior School teams have now completed the heats of their competition. In order to progress to the finals, teams had to win at least three of their four debates in the heats. Unfortunately, the Year Eight team didn't meet this requirement and were knocked out. However, congratulation to the team on their hard work.

Year Eight team: Annabelle Bamford-Mareroa, David Chlonta, Jack Ellis, Anna Isabella James, Elena Morley-Buchanan.

Thanks also to the team coaches, Taylor Birtchnell and TJ Morley-Buchanan, for their work with the team.

The other four teams have progressed on to the finals. We wish the Years 9.1 and 9.2, Eleven and Twelve teams luck as they prepare for this knockout phase.

9.1 - Matthew Sharp, Tasman Soich, Ruben Jacobs, Elizja Van Eck.

9.2 - Madison Birtchnell, Haruna Spierenburg, Robinne Van der Linde, Elise Taylor.

Eleven - Taylor Birtchnell, Esther Dancewicz, Tyler Duran, Ryan fudge, TJ Morley-Buchanan.

Twelve - Caleb Price, Michael Puttock, James Jorgensen, Sam Gathercole, Alex Lewis.

Finally preparations are underway for the AB Paterson Public Speaking Competition and students who are interested in participating should get in touch with Miss Prouten for further details.

Five Calvary boys recently played in the Kanga Cup with their local U16 BPL Logan Lightning team and won the grand final making them overall winners for their age group. The Kanga Cup is the largest international youth football tournament in the southern hemisphere and is held annually each July in Canberra.

Josh Bick, Jed Levitt, Davis Bray, Ben Schmidt and Brendon Bouchier came away winners with their team conceding only one goal the entire tournament. The boys played four group matches to be top of their group's table and then won the semi-final 1-0 where Brendon made a spectacular penalty save to keep the contest alive. The team's semi-final opponent was voted the best U15 team in NSW in 2013. A tremendous team performance saw the boys take out the grand final with a 3-0 win.

Congratulations to the Calvary boys and their teammates for a fantastic performance. Josh, Jed, Davis, Ben and Brendon represented their club and school well and can be proud of their achievement.

Lessons from the World Cup

I am sure you would agree with me that everyday has its challenges. It also seems that the pressures of life are on the increase. Rising living costs are causing work intensification.

Social media is putting pressure on us to keep up socially with our friends. The pressure of consumerism is on the increase as we are constantly being told what you need to purchase in order to be happy. As a result, stress is on the rise and consequentially mental illness is on the rise causing addictions to alcohol, medication and over-eating. And all this is just in my life.

Seriously, the rise in mental illness is unprecedented. It seems we just are not able to cope when a number of crises hit us at the same time causing a 'perfect storm' of unavoidable stress and trauma.

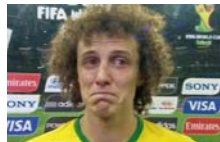

The latest statistics tell us Australian adults will have some form of mental disturbance each year and 45% will suffer a mental health problem, such as depression or anxiety, in their lifetime.

How do we respond during the storms of life? Let me give you a wonderful and inspiring example. A footballer took my attention during the recent World Cup was the Brazilian, David Luiz, who is an unashamed Christian.

In the quarter finals, his Brazilian team won after he scored a sensational goal. He was on top of the world. His response at the end of the game was getting on his knees to pray to God giving Him all the glory.

However, things turned around during the semi-final against the German team. David had the privilege of captaining the team for the first time. Unfortunately, Brazil suffered their most humiliating loss ever going down 7-1. He was not happy at the end of the game, but his spiritual response inspired me as he once again got down on his knees to pray and give glory to God **DESPITE HIS DESPAIR.**

In his act of giving thanks and praise he displayed an attitude of **'contentment no matter what'**.

Of course he was sad and disappointed, but he shook off any bitterness or entitlement. Instead he decided to embrace the suffering and humiliation and to do his best to stay hopeful and positive. **'Humility in victory and dignity in defeat'** is a great Christian value.

Obviously David's spiritual response to humiliation and defeat had been formed during his childhood years and has further developed over time. In my view David has found an import key to happiness and wellbeing which he has formed into a positive habit.

In the meantime there was criticism from the Australian media. I heard remarks such as "He's too superstitious and religious." Clearly, many Aussies do not get that **"Spirituality is the key to wellbeing."** **Do you get it?**

Blessings from Pastor Jim Haak on behalf of the Chaplaincy Team.

Springwood News

Welcome to start of Term Three. From the P&F perspective - this term is all about one word - **CARNIVAL!**

From today there are just 50 days to the biggest fundraising event on this year's College calendar – The Calvary Carnival. Please make sure you keep Saturday, September 13 free for this amazing day of fun at the Springwood campus. Also keep an eye on ways you can help as your children's classes prepare for this major event.

In September, we will also have a Fathers' Day stall from September 3-5. Anyone who has any donations for this please feel free to contact us at Stephanie.bubb@calvarycc.qld.edu.au.

Lastly, just to recap from last term, the end-of-term Pizza Day raised \$444.40. A huge thank you to all the parent volunteers on the day who helped deliver the pizzas to the classrooms.

Carbrook News

Welcome all parents and friends to Term Three! It has been a great first half of 2014 and we see even greater successes for the second half. We are pleased to advise that the 2014 Wish list was approved at the last general meeting making funds raised by the P&F available for the purchases of resources to benefit students.

Work on the Calvary Carnival is progressing well. These events would not be possible without the generous and dedicated parents we are blessed with at Calvary Christian College. In order to make the carnival a huge success we really do need as much help as possible so please if you are able to lend a hand,. We encourage you to contact us at either carbrook.p&f@calvary.qld.edu.au or via our Facebook page.

We look forward to hearing from you!

Volunteers - Tuckshop

As communicated at the beginning of 2014. The College Tuckshop is an important service to our College community and is operated in partnership between the College and Metro Canteen, with the College receiving a share of the profits.

There is an ongoing need for parent helpers in the Tuckshop. A *'Volunteers Form'* can be downloaded from Parent Lounge. Please complete and return to the College to indicate your **Expression of Interest** in serving in this area of the College.

Please Note: Any hours completed in the Tuckshop may be used to accumulate required P&F hours for the year.

If you have any questions, please do not hesitate to contact either the College or Tuckshop.
